

Mayo Open 5K CC Sep 14, 2023

(36th edition)

Josiah Swanson won the Mayo Open for the 4th time in 16:56 (also won in 2017, 2018 and last year, as well as nabbing 2nd place in 2021). He was followed by Henrik Gilbertson, who also finished 2nd last year, in 17:16. The first 40 and over finisher (3rd place overall) was Brian Semling, for the 3rd year in a row, at 17:53. 60 identified runners finished the course, along with three bandits, the largest turnout since 2011, when the count was 68. The oldest finisher was Ed Creagan, age 79.

The first female was Laura Miller in 22:03, followed by Dakota Hiller in 22:13. Melissa Schultz got first for forty and above women, with a time of 23:24. With the temp in the low 70s, low humidity and a breeze, racing conditions were pleasant. Thanks to volunteers Greg Couser, Sonja Kranz, John Modry, and Ken Persons, who excelled at finish line data collection, allowing the race director to complete the event for the 34th time (Lin Gentling is second on the completion list with 16).
