MAYO OPEN CROSS COUNTRY MEET
Friday, September 14, 1990

To the relief of many, the heat and humidity broke Thursday night, leaving us with a racetime temp in the low 60s along with a bit if a breeze. 30 runners completed the hilly, literally breath-taking course, including the irrepressible, 81-year-old Ethel Furne (a fun-filled 5 km).

Parry Victor At Mayo Open Cross-Country Race

As the afternoon progressed, the skies darkened and the temperature cooled. A light rain began falling by the time the Mayo Open 5-kilometer Cross Country Race's 8th edition got underway after the high school events at Eastwood Golf Course, Friday, September 17th.

Jim Parry, apparently recovered from an injury-plagued last few years, crossed the finish line in 16 minutes 44 seconds (he also won in 1989). Jerry Wille was close behind, finishing second for the second year in a row, in 16:48. Last year's winner, Tony Poirier, was third in 17:06.

The women's prize was also closely contested, as Leatha Damron held on to best last year's winner, Lauri Deffenbaugh, 19:16 to 19:18, setting a new 30-39 age group record in the process. The 40-49 male age group record set by Roger Spee last year was also broken, as John Modry completed the course in 18:19. Carmel Vrabel was the first women master's runner for the 4th year in a row.

Special thanks to volunteers Brad Finseth, Jerry Goodrich, John and Phyllis Haas, Gary Larson, Al Rustad, Roger Spee, starter Dennis Johnson, and . . . GAIL DE BOER.

Wille Wins Mayo Open Cross-Country Run

While the warm weather of the last week withdrew, Jerry Wille was the winner of the 5-kilometer Mayo Open Cross Country race which followed the high school races on Friday, September 16, at Eastwood Golf Course.

Wille's time of 16:44 put him comfortably ahead of 2nd place finisher Brad Kautz, who finished in 17:21. Steve Burt was third with a time of 17:35. Wille, who finished second in this race the past two years, ran especially well, considering that he was briefly hospitalized for dehydration two weeks earlier after the Giuseppe's Half Marathon.

Linda Gentling doubled as first master's runner as well as first woman finisher overall. Gentling's time was 21:56. She was followed by Mary Soukup-Selness who finished in 22:17. Jim Clennon was the first male master's runner with a time of 19:03. Karen Connelly set a new 50 and over record with a time of 25:19.

A big thank you to volunteers John and Phyllis Haas, Loren Johnson, Chris Kautz, Tom O'Shaughnessy, starter Dennis Johnson, and the DeBoers (Gail and Nathaniel).

Wille Wins Again at Mayo Open Cross Country Race

Sunshine, low humidity and a bit of a breeze greeted the 32 entrants in the 10th running of the Mayo Open 5-kilometer cross country race held Friday, September 15th, following the high school races at Eastwood Golf Course. Jerry Wille crossed the finish line in 16:49, winning for the second year in a row, followed by the largest turnout since 1986, when there were also 32 finishers.

Jim Hannon and Brad Kautz finished second and third, while Steve DeBoer was first of the 40 and over crowd. Deb Thomford was first woman finisher in 21:23, but Jena Berryman was not far behind. Rosemary Harnly was the top woman masters runner over the line. Then there was Ethel Furne, who, at age 86, set a course record for yet another age group (85-89) with a time of 46:45.

Volunteers made the race go smoothly even if they couldn't flatten the hills on the course. Thank yous go out to Adam and Brad Finseth, Phyllis Haas, Loren Johnson, Gary Larson, John Modry, perennial starter Dennis Johnson, and the DeBoers (Gail and still-in-the-womb Rebecca, due out January of '96).

STRIDE TIDBITS

The results from any race on a certified course in Minnesota are sent to Jack Moran in the Twin Cities who keeps records of the top times run in Minnesota for a given year and for all-time. In addition, any times bettering a specified standard are sent to the national Road Running Information Center. In this year's Stride for Fitness races, the following runners had times faster than the national standard.

Stride for Fitness 5K

Jim Hannon	16:04	35-39
John Brunnette	30:39	70-74
Tracy Mulholland	24:16	9
Anna Moes	30:32	9
Denise Tesch	24:45	50-54
Sandra Dalquist	25:46	55-59
Eileen Bendtsen	39:48	65-69
Ethel Furne	43:41	80->

Stride for Fitness 10K

Jerry Wille	33:22	35-39
Brad Kautz	33:57	35-39
Loren Johnson	48:18	65-69
John Burton	48:13	70-74
Emil Balz	52:51	75-79
Lester Petersen	1:32:14	75-79

Congratulations to these runners!

In addition to winning the Stride for Fitness 10K, Marc Warner, who was visiting Rochester from Alabama during September, also ran the City of Lakes 25K and finished fifth overall in 1:23:00 (5:21/mile). Another good performance!

1996-991

Wille Masters Watson Course

Despite a change of course and age group, Jerry Wille made it three in a row, winning the 11th edition of the Mayo Open 5 kilometer cross country race held at the Roy Watson complex following the high school races on Friday, September 13th. Wille recently turned 40, so his time of 16 minutes 39 seconds won the masters division as well as the overall title. Craig McCartel was second in 17:33. Third place went to Brad Kautz for the second year in a row, in spite of a hamstring injury.

The top woman finisher for the second year in a row was Deb Thomford, in 21:07. Janine Janisch edged out Mary Soukup-Selness for second place by five seconds. Rosemary Harnly, who recently turned 50, was first woman masters, with a time of 26:57.

Though the course at the complex is flatter than Eastwood Golf Course, where the race is normally held, the only new age group record was set by Jerry Wille. He decimated the 40-49 age record by 1:40 and would certainly have broken it on the Eastwood course as well. One statistic of note is that 13 of the 25 contestants were age 40 or over and four more will be turning 40 next year. Those folks are not slowing down much either, as they accounted for 9 of the top 13 finishers!

A super group of volunteers (Paul Anderson, Brad Finseth, Phyllis and John Haas, starter Dennis Johnson, Gary Larson, Tony Poirier and ^{mega marathoner} Nancy Elwiss) kept all black cats off the course. A special thank you goes to Gail DeBoer, who sent people who had not heard of the location change from Eastwood to the Roy Watson complex, and Peg Arnold, who answered Gail's cellular phone call so we knew of latecomers on their way to the race. So much for Friday the 13th!

Wille Scores Foreth Victory at Eastwood

It was a warm afternoon as the 1997 Mayo Open Cross Country race returned to the hilly Eastwood Golf Course, following the 1996 detour to the Roy Watson complex. So, after the high school races on Friday, September 12th, Jerry Wille made it fore (golf lingo) wins in a row, coming from behind to post a time of 16:41, a new master's record for the Eastwood course. Christopher Babcock, after a blazing 5:05 first mile in his first appearance at this event, held on for second place in 17:19. First female finisher was Nancy Marquette in 20:16, which would have been a 40-49 age group record if she wasn't only 39 (that was Jack Benny's problem too!).

With 35 official registrants and 2 anonymous bandits (guess the free entry fee was too steep a price to pay?), it was the largest turnout for this event, now in its 12th year. Other records fell in the 50-59 (Hal Gensler in 19:32) and 60 and over (25:08 by Pat Brown) men. Again, the 40 and over age groups were well represented, accounting for 5 of the first 8 finishers and 8 of the first 16. Teens and even sub-teens also participated. Though Spring Decker did not finish, at age 5, she is the youngest official competitor on record.

The director would be remiss if he did not recognize the excellent volunteer support staff which allowed him to run (albeit slower than usual) the race: GAIL DE BOER, (a close relation), Paul Anderson, Peg Arnold, Phyllis Haas, starter Dennis Johnson and Loren Johnson (all Johnsons are close relations), Gary Larson, John Modry, and . . . did I mention GAIL DE BOER already?
